[20:23] <kingjezal> @Eternia_Forever I liked it a lot, but it was not as good as the original Xenoblade. The original had better story, characters, soundtrack, and maybe environments (it's close there). Gameplay (combat and side quests) is better in X though.

[20:27] <nazzrax> @KingJezal yes you do...
[20:27] <neospartanhesperos9> @bentboxer because there isn't funding for soccer cause the US doesn't care, and the real passionate talent that can't afford the jerseys or the costly tournament trips are hidden from scouts eyes, and the rich kids are the ones who get scouted.
